DINESH KUMAAR

Engineering Student

dineshkumaar9025067808@gmail.com | +91 7305555237 | LeetCode Rating:1500+

EDUCATION

RMK COLLEGE OF ENGINEERING AND TECHNOLOGY

BE in Computer Science
2023 - 2027 | CGPA:8.50 / 10.00

VELAMMAL VIDYALAYA CBSE

Computer Science Top Scorer
Grad. March 2023 | Cum Per : 88.8%

SKILLS

Programming: C, C++, Java, Python , HTML, CSS, SQL

Tools & Platforms: Hugging Face , OpenAI , Vercel

Development Practices: LLM , Transformers , RAG

Qualities : Leadership , Team Management , Resource Management , Critical Thinking

COURSEWORK

Data Structures and Algorithms
Operating Systems [Link]
Object Oriented Programming
Google Cloud Foundations
[Link]
Advance Java Programming [Link]

EXPERIENCE

CONGNIFYZ TECHNOLOGIES PVT LTD | Intern
05/2024 – Completed | (Remote) Nagpur , India

Backend Development

- Designed and implemented an AI model name GOAL ACHIEVER that can bring all the necessary resources present over the web and provide an optimised road map for the user to achieve his/her goal within a time limit
- Reduced API response time by 30% through database optimization and efficient query handling in MySQL.
- Led the backend migration from Java 8 to Java 11.

Frontend Development

- Designing and developing a portfolio website to post my Achievements and Collections
- Currently developing frontend for my goal achiever ai companion

ACHIEVEMENTS

Best Emerging Coder Award (University) Java | OpenAI API | Hugging Face | Git & GitHub

- Secured 2nd place in intra department coding event conducted at my college.

Runner Up in DUO DEVS Competition (Velammal Engineering College , Chennai) Coding | Symposium | Cultural | Events [Link]

- Me and my co teammate bagged 2nd position in Duo coding event passing across several technical and critical twisted challenges.

Ranked 7251 all over the Globe in Leetcode Weekly Contest [Link] | Leetcode | Contest | Rating

- Ranked 7251 on Leetcode Weekly coding Contest conducted all over the world on 23rd February.
